

EasyChoice®

Time & Attendance

EasyChoice® Time & Attendance provides your company with the ability to better manage your workforce through leading edge Internet based tools. Whether you use an advanced biometric hand or fingerprint reader, a simple badge reader or a web based application the setup can be done, quickly and easily.

Benefits

- △ Accurate time collection: Reduce labor costs up to 5%.
- △ Flexibility: Customize a time management system to best fit your company's needs.
- △ Reduce payroll preparation time and eliminate costly and time consuming manual calculations.
- △ Eliminate paper forms and streamline your leave request and approval process.
- △ Easy to use reporting provides critical employee payroll, scheduling and historical trend information.
- △ Tailor report data to fit your organization's specific needs.

It's about Workforce Management.
