

Al Seymour

Regional Manager — Great Lakes Region

For more than twenty years — I joined the CPI team in 1989 — I have been regional manager for CPI Qualified Plan Consultants, Inc. covering the Great Lakes region, which includes Iowa, Illinois, Indiana, Kentucky, Michigan, Minnesota, Montana, North and South Dakota, Nebraska, Ohio, Wisconsin, and Wyoming. In addition to representing CPI in the region, as the regional manager, I am also responsible for sales strategies and initiatives for my Great Lakes team. With twenty-plus years in the retirement industry, I have extensive experience with both defined contribution and defined benefit plan design and implementation.

Before coming to CPI, I was a financial consultant with American Express. Prior to that, I served a ten-year stint as head of regulatory affairs for the engineering division of Bechtel Corporation.

I earned a bachelor of science degree from the University of Minnesota in an interdisciplinary program in mathematics, chemistry, and biology. I hold a master's degree in mechanical/civil engineering from the University of Illinois. My wife, Glee Ann, and I reside in St. Paul, Minnesota.
