Regional Manager — Southeastern Region

Since 2004 I have been regional manager for CPI Qualified Plan Consultants, Inc. covering the southeastern United States, including: Florida, Mississippi, South Carolina, Alabama, Tennessee, and Georgia. In addition to representing CPI in the region, as the regional manager, I am also responsible for sales strategies and initiatives for my southeastern region team. After fifteen years in the retirement industry, I have extensive experience with both defined contribution and defined benefit plan design and implementation.

I began my career in Boston with Pioneer Investments. Interestingly enough, during that time I worked with CPI, the firm chosen by Pioneer to provide recordkeeping and administrative services for the Pioneer defined contribution retirement plan products. When the regional manager opportunity with CPI presented itself, it was an easy decision.

I earned my bachelor's degree in government and law from Lafayette College in Easton, Pennsylvania. I have also earned the qualified Pension Administrator (QPA) and qualified 401(k) Administrator (QKA) designations from the American Society of Pension Professionals & Actuaries (ASPPA®). My husband and I, along with our two children, reside in Tampa, Florida.
